To whom it may concern

I would like to show my support for the Barnett Demesne/Mary Peters bike trail development in Belfast. I believe singletrack mountain bike trails and associated jump/skills area would be a great opportunity for cyclists and mountain bikers in Northern Ireland as a whole.

At present there is few legal trail centres in Northern Ireland and if there was a trail centre with skills area in Belfast I believe it would be fully utilized by mountain bikers in Northern Ireland and further afield.

Yours in Sport
